

# Jack & Jill Petition Form

Technically, my WSDC points ranking is:

Newcomer    Novice    Intermediate    Advanced    All-Star

I am requesting positioning to the following level of dance:

Newcomer    Novice    Intermediate    Advanced    All-Star

I understand the WSDC points requirements for attaining this level of dance; however, the following circumstances should be considered to advance/withhold me:

- My points were earned at  small  large event(s) not representative of this event's demographic aptitude
- I have earned the points but they have not been posted on the WSDC website
- My points are more than 7 years old
- My dance teacher/coach has recommended I petition for this level. Their name: \_\_\_\_\_
- I have students who I coach in my actual level; competing against them would pose a professional conflict
- I have extensive experience (or I am an accomplished professional dancer) that puts my fellow competitors at a distinct disadvantage
